

Dear VISTA member,

Welcome to AmeriCorps VISTA!

All AmeriCorps VISTA members and Leaders are required to undergo a background investigation. This includes a search of the Dru Sjodin National Sex Offender Public website and an FBI criminal history check, which requires you to submit fingerprints. We cannot accept electronic fingerprint submissions.

We have enclosed:

- Two fingerprint cards
- Instructions for obtaining fingerprinting services and completing the fingerprint cards
- Fingerprint submission FAQ
- Member Disclosure Form

Contact your supervisor for a pre-addressed/pre-paid UPS Next Day Air label.

**Fingerprint cards must be received by AmeriCorps VISTA HQ
30 days from your Service Start date (as noted on your oath form).**

Make sure you mail the fingerprint cards three to five days before the deadline with the UPS return label your supervisor provides. Please record the UPS tracking number.

**AmeriCorps VISTA members who fail to submit fingerprint cards
by the deadline will be terminated from service.**

If the fingerprint cards are not completed correctly, you will have to redo them.

To offset the costs of fingerprinting, members will receive a onetime \$25 subsidy in the first living allowance.

A minor offense with no relation to your assignment will generally not bar you from service.

AmeriCorps VISTA expects full disclosure of all criminal history at the time of application. Your sponsoring organization and AmeriCorps VISTA should be fully aware of any prior criminal convictions, if you are currently facing criminal charges, or you are currently on probation or parole. Members who did not disclose their full criminal history in the application have a final opportunity to do so with the Member Disclosure Form. Should the criminal history check process render you ineligible to serve in the AmeriCorps VISTA program, and/or if you fail to disclose your full criminal history, you may be terminated from service and forfeit all service benefits.

This process should take no longer than eight weeks from the submission of your completed cards to us. Unless you hear from an AmeriCorps VISTA representative, you may assume you have been cleared for service.

Thank you for your time and attention. If you have any questions regarding this process please email VISTAfingerprint@cns.gov

Sincerely,

The AmeriCorps VISTA Team

Fingerprint Submission FAQ

Where do I go to get my fingerprints taken?

- Local police stations usually offer fingerprinting services during certain business days or hours. It is best to confirm with the police station that fingerprinting services are offered during the time that you plan to visit.
- Many private companies also offer fingerprinting services. A simple internet search for fingerprinting services and your zip code often produces several results.

Can I get fingerprinted electronically?

- Yes, but the fingerprint impressions must be printed onto the fingerprint card. VISTA can only accept fingerprint cards.

Can the fingerprints be sent electronically to VISTA?

- No. VISTA can only accept paper fingerprint cards.

Can I use a different fingerprint card?

- At your own risk. The fingerprint cards must be identical to FBI issued FD-258 card. If you submit fingerprint impressions on the wrong fingerprint card, you may need to resubmit fingerprints on the correct card.

I was fingerprinted before for another program, do I need to submit fingerprints again?

- Yes, you must be fingerprinted again specifically for the VISTA program.

What is NSPID?

- It is an ID number assigned to each national service participant and can be found in your MyAmeriCorps account.

Will I be reimbursed for the cost of fingerprinting?

- All AmeriCorps VISTA members will receive a \$25 fingerprint subsidy in their first living allowance to offset the cost of fingerprinting. Applicants who get fingerprinted but do not start service will not receive this subsidy.

This is my second (third, etc.) year of VISTA service. Do I have to complete and submit the fingerprint cards?

- Contact your State Office to determine whether you need to submit your fingerprints.

Why does AmeriCorps VISTA send a return UPS mailing label?

- AmeriCorps VISTA requests that you use the provided UPS mailing label to ensure timely receipt of your fingerprint cards.
- Regular mail that arrives to AmeriCorps VISTA is first taken to an off-site screening facility. This screening **will damage** the fingerprint cards and can cause a delay of up to two weeks
- You may use, at your own cost, other express mail methods. The address for receipt of the cards is:
AmeriCorps VISTA Fingerprint
250 E Street SW, 4th FloorMailroom
Washington, DC 20525

If I have to send in a second set of prints, will I get another \$25 subsidy?

- No. You are responsible for getting two legible and complete fingerprint cards to AmeriCorps VISTA HQ.

I made a mistake completing the fingerprint card. How do I correct the error?

- Use a black pen to cross out the incorrect information with a single strike ~~(like this)~~ and write the correct information. Please also write your initials next to the change.

Member Disclosure Form

AmeriCorps VISTA requires a criminal history check to ensure community members with whom we work are protected. We investigate past sexual offenses and other criminal offenses that have direct negative implications on your assignment. A minor offense with no relation to your assignment will generally not bar you from service.

Complete, sign and date this form if you have been convicted of an offense (regardless of when it occurred), are currently facing charges for any offense, or are currently on probation or parole, and did **not** list this information in your application.

- Do not complete this form if you listed your entire criminal history on your application or you do not have a criminal history.
- Exclude traffic fines unless the violation was alcohol or drug related.
- Fill out one form for each incident.
- Please email this form to VISTAfingerprint@cns.gov no later than **30 days after your Service Start date (as noted on your oath form)**.
